

Roya's Imaginary Cafe — Catering and Events

Catering Overview

We cater coffee and light food for meetings, offices, and gatherings across Greater Boston. Everything is brewed or assembled the morning of and delivered or held for pickup. Catering is handled by the Cambridge roastery team — place orders through the catering form on our website, not at the cafe register.

Coffee Boxes and Urns

Our coffee travel boxes serve about 12 cups each and come with cups, lids, milk, sweeteners, and stir sticks. For larger groups we deliver airport urns of drip coffee (regular or decaf) and hot water with a tea selection. Cold brew is available by the growler. All catering coffee is the same beans we serve in the cafes.

Food Platters

Pastry platters come from the same local bakery that supplies the cafes — croissants, scones, banana bread, and the vegan oat bar, arranged for a crowd. We can note allergens on the order, but as with the cafes, items are made in a shared bakery and we can't guarantee they're free of trace allergens.

Minimum Order and Lead Time

Catering orders have a \$75 minimum and need at least 48 hours' notice. Large orders (50+ servings) need a week. Rush orders may be possible — call the roastery and we'll tell you honestly whether we can pull it off without dropping the quality.

Delivery

We deliver within a 5-mile radius of the Cambridge roastery for a flat \$15 fee; beyond that, delivery is by quote. Orders can also be picked up at the roastery at no charge. Delivery windows are scheduled in 30-minute blocks.

Corporate Accounts

Businesses that order regularly can set up a corporate account with monthly invoicing instead of paying per order. Accounts include a standing discount that scales with volume. Email the roastery to set one up.

Event Space

The Cambridge roastery has a loft space that seats about 30 and is available to rent for private events, team offsites, and small celebrations. Rental includes coffee service and a roaster-led tasting if you'd like one. The space is not available during roasting hours (Monday and Thursday mornings).

Tastings and Classes

We run public cupping sessions twice a year for free, and private tastings and brewing classes by arrangement for groups. A class covers grinding, ratios, and hands-on pour-over or espresso, and ends with everyone taking home a bag of beans.

Cancellation Policy

Catering orders cancelled more than 24 hours ahead are fully refunded. Inside 24 hours, we refund half, since the food and prep are already in motion. Event-space deposits are refundable up to one week before the event.
